1. The following is an examiner's statement of reasons for allowance:

In a process for bonding a first substrate surface to a second substrate surface wherein an adhesive is used to bond the first substrate surface and the second substrate surface and wherein at least one adhesion-reducing contaminate is present on at least one of the first substrate surface and second substrate surface prior to bonding, the prior art does not teach or make obvious the concept of introducing vibration energy into the adhesive to remove at least a portion of the adhesion-reducing contaminate from at least one of the first substrate surface and the second substrate surface by dissolving or dispersing or both dissolving and dispersing the portion of the adhesion-reducing contaminate in the adhesive in the manner claimed by the applicant.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to James Sells whose telephone number is (571) 272-1237. The examiner can normally be reached on Monday-Friday between 9:30 AM and 6:00 PM.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Chris Fiorilla can be reached at (571) 272-1187. The fax phone number for the organization where this application or proceeding is assigned is (703) 872-9306.
